Habit Burger & Grill Hosts "United Way Night" to Support Local Kids

Kennewick, WA — [July 18, 2025] — Habit Burger & Grill and United Way of Benton & Franklin Counties are teaming up for a night of great food and greater purpose. Join us Monday, July 21, from 4:00 p.m. to 9:00 p.m. at Habit Burger's Richland location for United Way Night, where a portion of all sales will go directly to support United Way's mission of bettering the lives of local kids.

During the event, 20% of eligible sales will be donated directly to United Way of Benton & Franklin Counties, supporting their programs and mission work to advance early learning, enhance student success and expand access to critical services to local kids and their families.

"This is a fun and easy way for our community to give back, just by grabbing dinner, every purchase helps us fund the vital programs that keep local families supported and children thriving." said Jade Elliott, Events & Communications Manager at United Way. "When you enjoy a great meal with family and friends, you're also helping us create opportunities for local kids and their families right here in our community."

Eat Good, Do Good
